# PROTECT YOUR INVESTMENT WITH ARTITALIA GROUP'S SMART CANNABIS SOLUTIONS

From soil to oil, the cannabis industry requires many security protocols and regulations. Like any lucrative investment, the retail cannabis industry and its stores need sophisticated security solutions to protect their high-value investment.

With the global legal cannabis market set to reach 66.3 billion by the end of 2025, there is a growing need to integrate smart cannabis security devices in display and merchandising solutions.

Now, with the ALT, you can showcase, display—and secure—your cannabis investment with a push of a button.

## WHAT IS THE ALT?

**A customizable smart solution that enhances security within your dispensary**

## PROTECT YOUR INVESTMENTS

With increasing demand comes increased risk. Theft has become a major concern for dispensaries, and they are looking for a way to solve this security challenge. Artitalia Group's latest solution is the ALT. We have designed and manufactured three different variations of the ALT to fit your needs. Each distinct design can fit your brand, enhance the look of your retail store, and most importantly, secure your goods.
