# CHECKOUT LANE PARTITION SYSTEM AND DISTANCING INDICATOR QUEUING LINE

**Artitalia Group Inc.** has created another solution to help protect customers against the COVID-19 pandemic. We have revamped our Aura Wall System to create partitions with clear acrylic to let in natural light. These partitions will come complete with holders to place hand sanitizer and sanitizing wipes. Our Distancing Indicator Queue Line can be used to queue those behind and to help with the safe social distancing practice. And lastly, provide additional guidance with our Laminated Vinyl Floor Decals that can be adhered to the floor.
