EMERGENCY COLLAPSIBLE MEDICAL BED

Artitalia Group Inc. has design a solution for emergency medical response where mobility and quick setup are priority. The Temporary Pop-Up Medical Bed provides a comfortable experience for your patients with a 6 inch antimicrobial foam mattress. Accommodate patients with the ability to adjust height, increase their safety with bedrails (standard on this product), and allow medical practitioners to provide continuous medical care with built-in IV pole and highly durable medical casters for ease-of-use in emergency situations. These beds are also designed with a unique folding design that allows for easy stacking and storage.

Aid in the recovery of your patients in medical facilities, trauma centers, and emergency rooms that will maximize convenience and comfort.
