# MEDICAL CARTS

**Artitalia Group Inc.** has designed a solution to help hospital staff transport medical supplies on the go. This medical cart system is made from highly durable aluminum and stainless steel to withstand the daily demands of the hospital industry. These carts are also equipped with bins that can be used for medical paperwork, IV pole, and waste bins. Increase in-hospital security with the locking drawers to store medical equipment, medicine, and other medical necessities at a time when you need them the most.

Increase patient care, improve staff efficiency, and organize medical supplies in emergency rooms, trauma centers, and hospitals with these durable, secure, and easily transported medical carts.
