

# Bringing Convenience Back to the Convenience Store.

Save Time on Transactions  
and Increase Revenue.

# What is the Audimac™

The Audimac™ is an automated distribution machine designed to dispense controlled products while simplifying the clerks tasks, generating faster transactions and reducing theft.

AUTOMATED DISPENSER AUDIMAC

# How Audimac™ Simplifies Tobacco Transactions

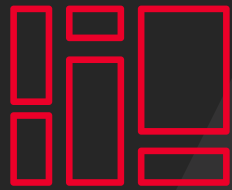

Tobacco products are hard to manage in today's convenience stores ecosystem. With new and even more strict tobacco laws looming, store clerks will have an even harder time handling and selling cigarettes.

Equipped with the latest technology, Audimac™ keeps real-time tracking of cigarettes and dispenses cartons quickly, all while reducing the risk of theft.

- Automated scanning system for quicker and accurate inventory management
- Touch screen tablet and dispensing system for seamless transactions

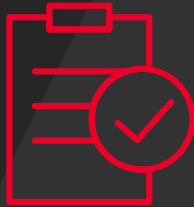

# Audimac™ Highlights

**Fully Customizable**

**Digital Signage**

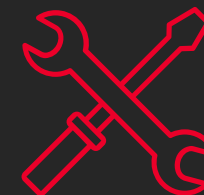

**Inventory Reports  
and Management**

**Touch Screen  
Control**

**Faster Transactions**
