HAND SANITIZER STAND WITH FOOT PUMP

Artitalia Group's Hand Sanitizer Stand with Foot Pump will make your customers and associates feel safe—and clean—during this time of uncertainty.

The hand sanitizer dispenser comes equipped with a foot pedal, making it a great economical touchless solution to help eliminate the spread of viruses and illness when traditional soap and water are not available.

Mounted on a steel base, this will certainly reduce the risk of infection in any facility all while increasing the safety of your customers and associates.
