ARRIVE Shelving System

FROM THIS...

Often parcels arrive to their destination on a truck like this...

...TO THIS.

ARRIVE Shelving System

ARRIVE is the ultimate last mile solution. Secure your packages and facilitate delivery with the help of adaptable folding shelves.

ARRIVE Shelving System

Smooth Action

Nested gas struts ensure shelves are secure and allow for smooth transitions

Low Profile

Shelves fold upright to optimize space

ARRIVE Shelving System

Lightweight

The entire system is constructed from lightweight aluminum, for improved gas mileage

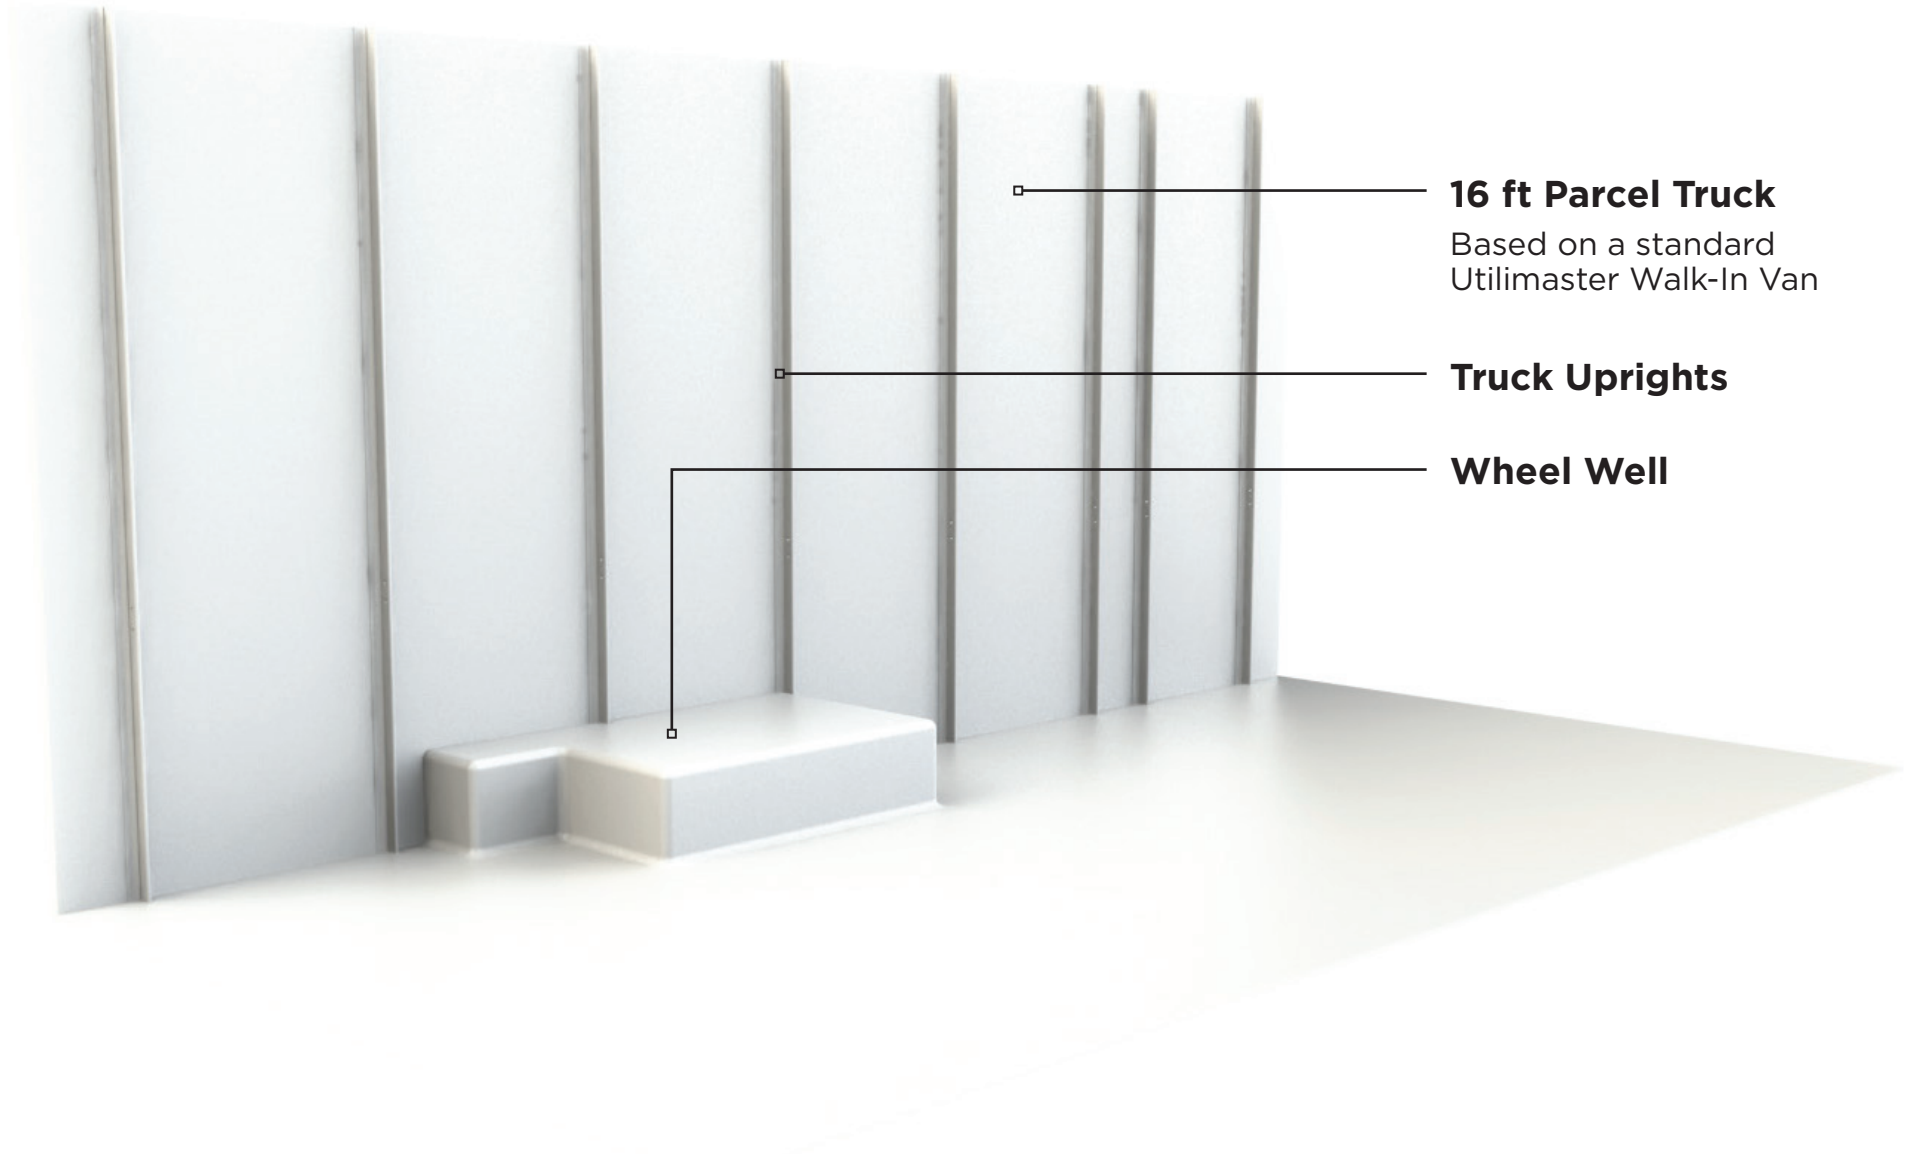

Adaptable

An adjustable bracket and track system allow the uprights to be finely positioned along inconsistent wall depths within varying parcel delivery vehicles

ARRIVE Shelving System

ARRIVE Shelving System

16 ft Parcel Truck
