# LAMINATED Floor Decal

**Artitalia Group's** highly-durable social distancing laminated floor decal is designed to remind everyone to keep a healthy and safe distance during the Covid-19 pandemic.

The laminated decals are self-adhesive with laminate and can safely adhere to a wide range of materials and surfaces. This makes them suitable for high-traffic areas such as in store or warehouses. Lastly, they are used to provide additional guidance to and from entrances, exits, pay stations, etc. all while respecting the 2m/6ft social distancing rules currently put forward.
