CHECK-IN STATION

Artitalia Group's Check-In Station helps employers and employees safely get ready for work. Equipped with a tablet and scanner holder, this check-in station makes entering the workplace premise a lot safer and efficient. The adjustable shelf accommodates different standing heights, is equipped with a waste bin and comes complete with trays to organize items such as masks and gloves.

With custom commercial Lexan polycarbonate panels, rubber grip handles, and heavy-duty casters, users can comfortably move the Check-In Station into any area to abide by health and safety check-in guidelines all while safely handing out supplies through a properly placed opening.

Keep your workplace and associates safe by protecting them from the spread of germs all while keeping a safe and healthy distance from one another.
