# CURBSIDE PICK-UP

With the surge in online orders and the affect it has on delivery due to increased order volume, stores are looking for solutions that will allow their clients to order online and pick up in-store, or rather, the store front! Artitalia Group has created a solution that has fantastic curb appeal—Curbside Pick-Up for online orders.

Coupled and optimized with our secure ADDOBOX locker system to distribute essential grocery items, head to the store when your order is ready and park in the designated area. A store associate will process your order once you arrived by use of curbside cash wrap complete with store peripherals to safely service customers outdoors. Additionally, with our material handling carts and curbside collapsible basket, treat your customers to exceptional customer service by delivering their orders with minimal contact.

Increase your store's curb appeal with Artitalia Group's Curbside Pick-Up solution
