HANGING HYGIENIC SHIELD

Increase employee and customer safety with this quick and cost-effective solution from Artitalia Group. The Artitalia Group Hanging Hygienic Shields are made from custom commercial vinyl and can be easily rolled for efficient shipping and storing.

These 48" x 48" Hanging Hygienic Shields can be suspended from ceilings at a height that best facilitates the customer experience and used as an alternative to floor or table mounted hygienic shields. Increase in-store safety, office areas, restaurants, or any customer/client facing areas by using these hanging hygienic shields that can be installed quickly and easily without having to install floor or table mounted shields.
