# HYGIENIC SHIELD FOR SCHOOL DESKS

With the imminent return to school, parents, teachers, and students alike want to feel protected and safe from the spread of germs. **Artitalia Group's** latest solution—Hygienic Shield for School Desks—provides a protective and sanitary barrier between classmates and their instructors.

These 3-sided shields made from custom commercial-grade polycarbonate, offer the necessary protection to allow students to safely return to their classroom and continue with their educational journey, all while mitigating the spread of germs. They come complete with Velcro and double-sided tape to allow for a semi-permanent installation that's quick and cost-effective. Provide peace of mind while protecting your educational environment, your staff, and your student body.
