PROTECTIVE HYGIENE SHIELDS FOR CHAIRS & SEATS

Returning to a sense of normalcy these days might feel like a daunting task. Don't worry; you're not alone. As solution providers, Artitalia Group has understood the need to make your customers feel safe—and protected from germs. The Personal Hygiene Shield is a simple yet effective way to help eliminate the spread of germs.

Made from custom commercial Lexan polycarbonate, this shield easily clamps to the back of any office chair, public transportation seat, and seating options available at restaurants or public areas. Allow your customers to enjoy peace of mind all while enjoying the comfort that comes with knowing that “everything will be alright”.
