# HAND SANITIZER STATION

**Artitalia Group** has been providing customizable, cost-effective, and highly functional COVID-19 solutions since the start of the pandemic. Our current design is a user-friendly hand sanitizer station. It is complete with automatic hand sanitizers, easy top access for sanitizing wipes, and a lockable compartment to store masks, sanitizing gel, wipes, and other hygiene products deemed essential during the current climate.

The hand sanitizer station comes complete with a powder-coated cabinet and eye-level graphics to ensure that your clients understand the current COVID-19 regulations. Artitalia Group's Hand Sanitizing Station will keep your company safe—and clean—with customizable solutions to keep your environment clean and mitigate the spread of germs.
