# About the Makers

## **Artitalia Group, where passion meets innovation**

Incorporated in 1984 and headquartered in Montreal, Artitalia Group was founded by four craftsmen who shared an undying passion for the artistry of manufacturing. They set out to become the number one provider of complete retail environments and custom fixtures around the world. Since then, Artitalia has expanded to different markets, revolutionizing each one through its commitment to innovation and creativity.

Artitalia Group offers quality products and services required to manage end-to-end specialty programs, from conception to completion. We take pride in being able to offer custom solutions to challenging issues and provide peace of mind to our valued clients. Artitalia Group, helping companies reimagine what's possible since 1984.

# THE ARTITALIA GROUP ADVANTAGE

## • World-Class Manufacturing and Design

Combining the manufacturing capabilities of elite facilities with design and engineering firm standards.

## • Industry Leading Products at Competitive Prices

Diverse portfolio consisting of innovative, versatile and quality products to help you revitalize the customer experience and connect with your clientele.

## • Dedicated Client Management Team

Designated customer-centric team closely follows your project from conception to completion. Each client is assigned the following:

- ✓ Account Executive
- ✓ Project Manager
- ✓ Customer Service Representative
- ✓ Designer
- ✓ Engineer
- ✓ Estimator

## • Project Tracking Reimagined

Proprietary Web Tracker offers 24/7 tracking with every project, allowing for quick access to all relevant documents. Technical drawings, installation manuals, how-to videos and so much more, all in one convenient place.

## • Worldwide Manufacturing & Warehousing Capabilities

Multi-continent facilities allow for timely deliveries without sacrificing on quality.

## • Two Time Winner of Canada's Best Managed Companies 2019 - 2021

We invest in our employees so they can be at their best for you. As part of Deloitte's Best Managed Companies, we pride ourselves on offering the best customer experience at every level of business.

# SUPPLEMENTAL CART

## PRODUCT SUMMARY

- Collapses & nests to reduce footprint for convenient storage
- Front and side loading
- One-touch drop down cargo netting
- Wire grid frame on 2 sides
- 2 swivel casters, 1 rigid caster and 1 directional lock caster
- Total lock foot brakes to keep cart stationary

L 73.00" | W 24.00" | H 61.50"

# DOCK SORT CART

## PRODUCT SUMMARY

- Front loading
- Push handles on both sides
- Expanded metal on 3 sides to allow for better visibility and airflow
- Steel construction
- Solid steel base
- 6" casters with stainless steel housing and Polyurethane HI-TECH wheels.
- 2 rigid casters and 2 swivel casters with foot brake

L 71.75" | W 30.75" | H 57.25"

# DROP GATE CART

## PRODUCT SUMMARY

- Hinged drop-gate panel that can be lowered for better access for loading or unloading
- Front loading
- Expanded metal sides allow for better visibility and airflow
- Steel construction
- 2 swivel casters with total lock foot brakes and 2 directional locking casters

L 48.00" | W 23.88" | H 47.00"

# DC CART

## PRODUCT SUMMARY

- Adjustable interior shelf
- Detachable cargo netting
- Ergonomic vertical push handles
- Translucent sides for better visibility
- Bumper guards
- Front storage area for lengthy (oversized) goods
- Cart identification plate
- 2 rigid casters and 2 swivel casters with total lock foot brakes

L 38.25" | W 24.00" | H 60.00"

# SORTING CART

## PRODUCT SUMMARY

- Adjustable and removable interior shelving
- Front loading
- Adjustable partitions (dividers)
- Ergonomic vertical push handles on both sides
- Translucent sides for better visibility
- Bumper guards
- 2 rigid casters and 2 swivel casters with total lock foot brakes

L 60.25" | W 24.00" | H 78.00"

# ALUMINUM DELIVERY CART

## PRODUCT SUMMARY

- Powder coated steel frame
- Aluminum construction
- Max cargo load of 1000 lbs (450kg)
- Max load per shelf of 250lbs (113kg)
- Collapsible and nesting for effective storage
- Two removable shelves with oblong handle cutouts
- Shelves can be stored on the cart up against back frame
- Front loading
- Indoor / outdoor cart usage
- Fully enclosed with when in operation (doors with security spring latches)

# ARRIVE Shelving System

# ARRIVE Shelving System

**FROM THIS...**

Often parcels arrive to their destination on a truck like this...

**...TO THIS.**

Arrive is the ultimate last mile solution. secure your packages and facilitate delivery with the help of adaptable folding shelves.

# ARRIVE Shelving System

## **Adaptable**

An adjustable bracket and track system allow the uprights to be finely positioned along inconsistent wall depths within varying parcel delivery vehicles

## **Smooth Action**

Nested gas struts ensure shelves are secure and allow for smooth transitions

## **Low Profile**

Shelves fold upright to optimize space

## **Lightweight**

The entire system is constructed from lightweight aluminum, for improved gas mileage
