

**THE PROBLEM:** Currently products of restricted sale need to be removed from their existing showcase in store and stored away within a secure vault behind the store.

**THE SOLUTION:** ALT

PUSH BUTTON  
TO SECURE  
**1. OPEN TO DISPLAY**

**2. CLOSING**

**3. CLOSED & SECURE**

## ALT SMART SECURITY SOLUTIONS

A customizable smart solution that enables retailers to turn their showcases into secure vaults. This solution is ideal for displaying and securing products such as:

- Jewelry
- Firearms
- Ammunition
- Cannabis
- And other products of restricted sale

With the push of a button, the glass portion of the showcase drops into a metal cabinet with doors covering the top, creating a secure vault for product to live in.

## PROTECT YOUR INVESTMENTS

With increasing demand comes increased risk and retailers are facing a growing concern over theft.

Artitalia Group's latest solution—the ALT—is the perfect solution to protect your investments! We have meticulously designed and manufactured three unique ALT variations to:

- Seamlessly integrate with your brand identity
- Elevate the aesthetic appeal of your retail space
- Address your security challenges
